Description:

*worked stone block,  
possibly a threshold  
stone, has been  
poorly eroded*

Sketch (if applicable, indicate North)

**INTERPRETATION**

*worked block which may have been used as a threshold. Most likely not in original situ, but after previous excavations may have been positioned near the original context. The block is nearly in line with wall 1448 and may have once been a part of this wall.*
